## Voltarc® **TUFStraight**® HO Lamps

Cool White 4300 k 62 CRI

Daylight 6500 k 74 CRI

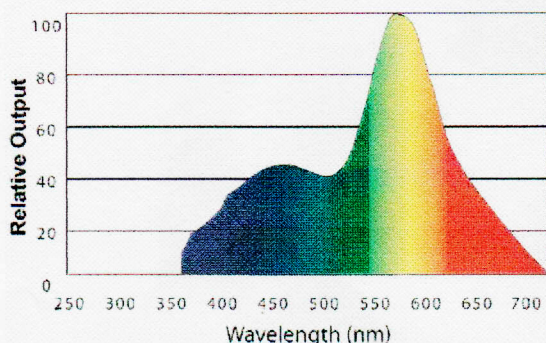

The basic series of lamps used in the commercial display market is the Cool White HO lamp. Voltarc® offers the most complete series of **Tufstraight** HO lamps available on the market. Most freezer/cold box fixtures and back lighting fixtures use standard T12 HO lamps. The Voltarc® Complete Series of standard HO Cool White lamps will enable you to "open the door" by being able to supply replacement lamps at very competitive pricing!

**Cool White phosphor which is standard for most all retail and freezer applications**

Once the door has been opened, you will have the opportunity to demonstrate the Voltarc® Sun Essence 5600 k™ and Starlight 5000 k™ lamps. Start with the freezers/cold boxes and expand to all of the store fixtures and lighting needs!

Cool White Spectrum
